## CAMEL TO CAMPBELL

## INSTEAD OF TO EVERGREEN

BISBEE, Nov. 11.—When John Twomey sent a large miniature camel to George Ludwig, chairman of the Republican County Central Committee, with the instructions: "We can't bury him so want to give him to the next governor of Arizona. Instead of putting crepe on him put a flag about his body. We couldn't beat him." There ended what, early in the afternoon promised to be a big celebration by the supporters of Governor Hunt.

It appears that all arrangements had been made to hold a big parade with a band. A hearse had been secured with red fire and the other paraphernalia, necessary to inter the Camel. When it came time to start the occasion, word came from Phoenix that "the mighty had fallen" and that Tom Campbell was over the mark with a safe margin. The parade was abandoned and Tammany Hall, which is presided over by John Twomey, one of the best losers among the Hunt supporters in the entire state, presented the miniature for transfer to the successful Republican candidate at Phoenix, with his compliments.

## ALL READY FOR DOUGLAS-THOUSANDS IN ELECTION LAS-PHOENIX AUTO-MOBILE RACE BETS ARE BEING PAID TODAY

PHOENIX, Nov. 11.—All Phoenix is on edge over the Arizona State Fair automobile road race from Douglas to Phoenix that will start from Douglas Saturday morning, November 18 and finish at the State Fair grounds in this city. Already 15 cars have been entered and it is expected that when the last entries are received his number will be swelled to 20 drivers.

In addition to the purse being given by the State Fair, a number of special cash prizes will be awarded to drivers making the fastest time between different towns en route. This is but another evidence of the great interest the race has created along the route of travel.

Arrangements have been made to close the streets along which the racers will pass in Bisbee at 6:15 o'clock Saturday morning, November 18. In Tombstone at 7 o'clock, Tucson 9:30 o'clock, Florence 10:30 o'clock, Mesa 11:30 and Phoenix at 12 o'clock. By closing the thoroughfares at this time it is thought they will be cleared for about a half hour before the arrival of the speed demons.

## RIVERA FAILS TO APPEAR TO ANSWER CHARGE

TUCSON, Nov. 10.—When the case of the United States vs. Gen. Santiago Rivera, on a charge of violating the Mann white slave act, was called in the United States district court yesterday morning, the defendant was not present and his bond of \$5,000 was declared forfeited by the court and a bench warrant issued for him. Rivera disappeared more than a week ago when he was charged on a complaint with a number of others of conspiracy to smuggle arms and munitions into Mexico. He went to Nogales on the morning train a week ago last Tuesday and has not been heard from since although United States officers have searched diligently for him.

## PROHIBITION AMENDMENT CARRIES; LOCAL OPTION IS LOST

PHOENIX, Nov. 11.—That the prohibition amendment to the state constitution has carried by an overwhelming majority is the news received at the office of the Arizona Temperance Federation. So far as returns have been received it is indicated that every county in the state has given it a substantial majority, though the returns are incomplete. Local option has been defeated by much greater majorities than the prohibition amendment has been adopted.

Campbell's majority, 302.

PHOENIX, Nov. 10.—Tom Campbell has been elected governor of Arizona.

Hunt's lead of yesterday morning was cut down by returns received later in the day and early in the afternoon the man from Yavapai took a lead which he never lost.

Thomas Maddock, chairman of the Republican state central committee, says Campbell's majority will exceed 300; the Arizona Republican, basing its figures on reports from all parts of the state, asserts that the Republican nominee will have more than 350 votes to spare.
